

Hearts Desire (Healing Harts)

If you could have anything, do anything what would it be? Jessie Hart has a soft spot for healing the broken, especially horses and children, but her business is failing and bankruptcy is looming. The one man who can save Heart Fire Ranch is the last man she wants to take advice from financial expert Nathan Kerrington, the same man who broke her heart eight years ago. Nathan Kerrington has it all, except the one thing he wanted most Jessie. Now that he's finally freed himself from his corrupt family, he wants to make amends. When he's called in to save Jessie's ranch, he sees his chance to win her back if only he can prove to her that she can trust him with her heart
