

Storm: Book 5: A New Adult Romance Series

Nothing has ever come easy in my life. Love especially being one of them. I was all in, ready to give my heart to Chase, the troubled bad boy who saved my life. Here I was, blindly trusting him, throwing caution to the wind and letting my heart lead me...right off a cliff. I knew how this would end up, but I never envisioned being in some muggy courtroom witnessing the unthinkable. Now I have to begin to pick up the shattered pieces of my life. But when someone from my past reappears, this puzzle called by life might seem impossible to figure out. Book one through four are available now. This steamy new adult novellette contains 17,000+ words.
