

Saving Grace (A Hearthfire Romance) (Volume 1)

From Whitney Award Winning Author, Michele Paige Holmes, comes SAVING GRACE, a regency romance from the Hearthfire Romance series: After the death of her grandfather, the Duke of Salisbury, Grace Thatcher wants nothing more than to live quietly in the country with her younger siblings. Her father's debts thwart those plans, and to protect her sister, Helen, Grace must marry a man of her father's choosing. As each suitor proves less than desirable, Grace comes up with clever schemes, causing each to reject her. While staying at the mysterious Sutherland Hall, a middle-of-the-night mishap sends Grace into the arms of a stranger, Nicholas Sutherland, who provides inspiration for her grandest plan yet one that will leave her reputation in tatters yet free both her and Helen from all possibility of marriage. Too late Grace regrets her rash actions when her father's last choice, Mr. Samuel Preston, proves to be a gentleman and a friend. But Samuel is the sworn enemy of Nicholas Sutherland, the man responsible for her ruin. Now instead of being free, Grace is caught between two men each with his own agenda.
