

A SEALs Song (SEAL Team Alpha Book 1)

Navy SEAL Jack Taggart attends his friends wedding, hoping to catch some much-needed downtime between deployments. When criminals kidnap the beautiful wedding singer, he knows that he must rescue her, at all costs, if need be. Darci OShea jumped at the opportunity for a little adventure when she took the job of wedding singer in the tropics, but she didnt expect to be kidnapped by a band of thieves. Nor did she expect her rescuer be a groomsman who could handle a gun as if hed been born with it. Will the battle between their inner demons be the hardest one to fight, or will they find rescue in each others arms?
