

The Stepbrother Series: Linc & Raven (The Stepbrother Series)

New York Times & USA Today Bestselling Author Danielle Jamie brings you the complete Stepbrother Series for Linc & Raven all together into 1 book! Forbidden: Linc or as my friends like to call him Forbidden is my future stepbrother and the one person who can get under my skin unlike anyone else. We all call him Forbidden because, like the fruit in The Garden of Eden, Linc, is gorgeous, tempting and completely untouchable. I've hated the arrogant jerk for as long as I can remember. But a week alone together followed by a drunken bet leads me onto a path that once taken there is no turning back. UNTOUCHABLE: I should hate her. Part of me does. But another part of me wants her more than I've wanted anyone--ever. Now she's back in town. Everything I feel...Anger. Lust. Desire...its all coming to the surface at full force. I keep telling myself she's untouchable. But that's easier said than done when I have the devil on my shoulder telling me to forget about everything and everyone, and take what I want. I'm the sex God of San Francisco. I get who I want...whenever I want them. No matter the consequences. RAPTURE: Fate tore Linc and Raven apart, now in a surprising twist it's bringing them back together but the question is: Can they let go of the pain from the past giving them a fighting chance at finally having a future together? *This is the complete Linc & Raven trilogy book 3 Rapture is an UGLY CRY and deals with death and suicide which may be triggers for some*
