Fall in love this Christmas with a man in uniform. An Army man, special agent, Coast Guard, or game warden, they all need to find love for the holidays. Dog Tags for Christmas - Jennifer Conner Willa Raynes spent her life doing what's expected of her. Now she has a great job and a house of her own, but where's the romance in her life? All of that changes when she bakes cookies for a soldier. Eben Yates has an important decision to make. Should he stay in the Army? He's been on three deployments and he misses the States. When he finds a stray in a nearby village and discovers he can bring Hero back, the dog and Willa give him reasons to start a new life and come home. Eben and Willa's Internet relationship deepens, will they find the family they both want for Christmas plus a barking bonus? The Christmas Wreath - Angela Ford Annie Dixons love for nature and her hometown of Glenville has her driven to find a way to keep the tree farm from outsiders. When the bank grants sixty days before the tree farm is listed for public sale, Annie and her friends devise a plan to finance the buy. The death of Annie's childhood friend brings Detective Ryder Harris back to Glenville. A child in his eyes, he always called her Sweet Annie. Now he sees her differently. Annie never admitted she had a big crush for Ryder. Now that familiar flutter in her heart is back. Annie knows Ryder won't settle in Glenville. And is Ryder really back for his sister's funeral or is he connected to the town resort's sudden disappearance of their manager? For the first time in many years, Ryder is excited about the holidays. Will the magic of Christmas forever connect these two hearts? Christmas Lily - Dawn Luedecke When Lily is told she has to move out of her home by Christmas, her hopes and dreams for the future are dashed. Now she has one chance left to save the lighthouse and the legacy of her long lost ancestor,

Lighthouse Keeper Fanny Pearson. Lily must perform a rescue mission and prove to the town that the lighthouse is worth saving a task made difficult by Marek Thayer and his rescue crew, who thwart every rescue attempt she makes. Marek can't help but be drawn to the determined woman. Unlike most women, she doesn't respond to his charms. But he has a goal of his own, to convince the lovely Lily to go out with him. He will use any trick needed to get her to agree to a date. Can he find the perfect Christmas present and make her his before it's too late? Off-Duty Christmas - Tammy Tate Devastated at losing her parents at eighteen, she continues to mourn their death. Kaitlyn buries herself in her work, dispatching for the Cedar Creek Police Department. When holidays roll around, she works harder. If anyone attempts to get close romantically, she pushes them away refusing to love again. That's before Bryce, the handsome new Texas Game Warden comes to town vowing to change everything. Will he succeed in rocking her world, or will she also push him away?
