

## The 21-Day Happiness Challenge: learn how to love your life and become a happier person in just 21 days (21-Day Challenges) (Volume 5)

The 21-Day Happiness Challenge, the fifth book in the 21-Day Challenge series!

Are you tired of that lurking sense of depression? Tired of waiting around for happiness to find you? Are you ready to learn how to love your life? Ready to take action to become a happier person? True happiness is an inside job. Look at a happy persons life and you dont see any magic or unicorns. Theres nothing in them that isnt also in you. Though external realities can certainly play a role, happiness doesnt spring from what you have, what happens to you, the situation you are in, where you are, or anything else. In fact, if it was easy to be happy, this book would be a very short one! Happiness doesnt have much to do with money, with achievement or with possessions, because plenty of people have all three and are still not happy. In this guide, well approach happiness not as something you have, but something you actively do, each and every day. The 21-Day Happiness Challenge will help you to: Understand and apply the key principles of living a happy life in an easy step-by-step way Love and accept yourself just the way you are now Let go of things, thoughts, behaviors and people that do not serve you anymore Realize that huffy fluffy concepts such as forgiveness, gratitude and mindfulness are actually extremely powerful Develop a daily routine that significantly boost your happiness ..and much more inside! Learn how to love your life and become a happier person TODAY. Are you ready to take the challenge? Update! Now available 11 books in 1: The 21-Day Challenges Box Set
