

Long Gone Lonesome Blues (The Texas Brands Book 4)

Back from the Dead? Ben Brand is still in mourning for his long lost wife, Penny, although its been two years since she died in a fiery car wreck leaving her wedding band as the only identifiable thing on her body. Now he wonders if his endless grief has finally driven him crazy, because hes seen her, twice now, once outside his gym in town where he teaches martial arts to kids, and ones right outside his bedroom window. Is Ben losing his mind...or experiencing a miracle?
