

The Princes Boy: Volume Two (Volume 2)

Awarded honorable mention in both the Rainbow Awards and the NLA: International Writing Awards for BDSM fiction! In war, sex is the most potent weapon. The kingdom is threatened by the marauding attacks from neighboring nations, and by treachery within the castle walls. Our two heroes have been thrust into a dangerous world, as Jorin has been slave-bonded to a powerful mage and Kenet has become magically bound to the general of the army. After a magical attack that scatters the army, General Roichal flees with Kenet on horseback, while Sergetten and Jorin begin the search for the missing prince. Only together can they root out the evil that threatens the crown and bring this story to a just end. Volume Two of The Princes Boy collects the second and final year of this original web serial by Cecilia Tan, from chapters 57 to the end. Drawing on complex themes of dominance and submission, the need for secrecy in a world where homosexuality is not accepted, and the intertwining of sex with magic, Tan weaves a multi-layered, sex-filled adventure that is part the Three Musketeers of Dumas and part Anne Rices The Claiming of Sleeping Beauty.
