

## Theas Song: The Life of Thea Bowman

The definitive, authorized biography of Thea Bowman, a modern-day heroine, with never before-seen writings, interviews, and photographs. Thea Bowman was a black girl born in civil-rights-era Mississippi who joined a convent of white Catholic sisters in Wisconsin, and went on to inspire millions of all faiths and none. She fought prejudice, sadness, and brought joy to others even during her struggle with cancer and long after her untimely death in 1990.
