Tennessee Automobile Liability Insurance brings you complete and up-to-date statutory law and caselaw, explained by experts in the field. In addition to the rights and duties of parties under the standard liability policy, it also covers the special situations of uninsured motorist and underinsured motorist insurance claims, with an eye both to trial and to settlement strategies. Statutory provisions are fleshed out with references to reported cases and to relevant unreported cases, including citations to the Tennessee Attorneys Memo (TAM). Appendixes trace the development of successive versions of personal automobile liability policies used by carriers in Tennessee.
