

Outlaw (Wanted Series Book 3)

I shouldn't have done that job. I shouldn't have stolen that girl. And I sure as hell shouldn't have fallen for her. Charlie Hays knows two things: how to steal, and the red-hot rage that keeps him going. In Wanted when a last minute heist goes bad, he kidnaps the only witness, Addie Batters. But just when everyone begins to think he has gone and made the biggest mistake of his criminal career Charlie wonders if he hasn't made the best one. Every love story has two sides
