

Nan Ryan, Western Romance: Outlaws Kiss, Written in the Stars, and The Princess Goes West

Three western romance titles by Nan Ryan about an outlaw, a cowgirl, and a determined European princess finding their fortunes in the American West. In *Outlaws Kiss*, a young woman joins a gang of rough-riding outlaws. As she begins her career as a renegade, the son of a soldier killed in a long-ago raid searches Mexico for justice. His fevered quest could destroy Cordell's band of outlaws, but only if he can resist the charms of the sultry young woman who rides like a man. In *Written in the Stars*, the beautiful star of a Wild West show sets off with the traveling spectacles most recent addition: a captured man, raised by the Shoshoni. Together, they embark on a passionate adventure that will change both of their lives forever. And in *The Princess Goes West*, the heiress of a bankrupt kingdom travels to the New World in search of a fortune. The princess decides to find investors among the gold-rush millionaires of the American West. Instead she finds misery, danger, and a handsome stranger with a temper rough enough to match her own. To make it home, Europe's toughest princess will have to find her inner cowgirl.
