

The Human Life Cycle Decoded

This book, *The Human Life Cycle Decoded ...Mastering Your Human Life Cycle*, covers every relevant aspect of the human experience, going beyond the associated lecture series. But most importantly it provides the wherewithal for completing that age old mandate to Know Thyself! This is the one and only path that leads to mastery of your human life cycle and becoming a Truly Powerful Person. The Wisdom In This Book Will Show You How To Significantly Increasing Your Personal Power by fulfilling that age old mandate to Know Thyself! This will be accomplished by providing you with significant insight into matters surrounding the human experience in general, with special emphasis on you specifically. You will be provided with the wherewithal to perform a complete self-analysis. We provide exercises along with forms and instruction to assist you in the completion of your analysis-of-self process. Self-knowledge can only be increased through self-analysis, that is you must consciously and methodically study you a well as the external forces that influence you. Self-knowledge is the one and only path to becoming a Truly Powerful Person by obtaining mastery of your human life cycle. And remember, when you significantly increase your Personal Power you will be in a position to strengthen those around you and as a naturally occurring by product, you will do your part in improving the overall human condition. And then you too will understand why we say that: The Very Things Every Human Should Know Are Rarely, If Ever, Taught until now!
